- ❖ What does Judaism believe happens to us once we die?

Contemporary Judaism seems to place far more emphasis on our responsibilities while living. Yet, Judaism has, over the centuries, had quite a lot to say about the afterlife. Join us for an enlightening discussion.

RSVPs are appreciated by Thursday, 1/18, to Amy, office@BethIsraelMV.org, 978.474.0540.
Please inform us of any food allergies/dietary restrictions.

Please join us and bring your friends. There is no cost to attend.

Breakfast is sponsored by Roberta Hantgan, in honor of her mother,
Ida Sarah Meyer Hantgan "Hon", of blessed memory.
