What do you do if you're the last two Jews in Afghanistan?
You re-write the Torah, of course!

Ishaq and Zeblyan are on a mission to save Judaism in Kabul by rebuilding their synagogue and keeping the faith alive, but only if they don't kill each other first. Jeremiah Kissel (*Fiddler on the Roof*, *Broken Glass*, *The King of Second Avenue*) and Joel Colodner (*Regular Singing*, *Freud's Last Session*, *Imagining Madoff*) star in this Vaudeville-inspired play, doing their best in a shtick-y situation.
